

DC127

Coronavirus Response Fund

DC127 needs your help; the families we serve need us more than ever. They remain economically overburdened and emotionally overwhelmed. Below are a few ways to support DC127's efforts to care for families in our community. For more information on any of the following, please email Dana Staley, Director of Programs, at dana@dc127.org or call DC127 at 202-670-1145.

pray with us

At DC127, we believe there is power in prayer and we welcome you to pray with us. Pray for protection of the parents who have young ones at home, the parents who have limited access to technology for homeschooling, and for parents who have jobs in the service industry and are currently without work.

We will get through this season, together.
